IMPORTANT NOTICE REGARDING A CHANGE IN YOUR CABLE TELEVISION SERVICES

Your cable service will change as of March 30, 1993 to provide a low-cost, entry-level service. The upcoming changes are:

- **Basic service** will no longer include the majority of satellite delivered entertainment services such as CNN, NICKELODEON and THE FAMILY CHANNEL.
- **Basic service** will offer 35 channels of service which will include all the broadcast networks we currently carry, PBS affiliates, plus our exclusive Public, Government, and Educational Access channels.
- The rate for **Basic service** will decrease from the current rate of \$19.05 to \$10.00.
- **Expanded Basic**, an optional and separately priced service, will consist of 32 channels. It will contain all other non-premium cable entertainment channels we currently offer, including ESPN, USA, TNT, CNN, WGN, WTBS, LIFETIME, NICKELODEON, AMERICAN MOVIE CLASSICS, HSE, THE DISCOVERY CHANNEL, and many more.
- The rate for **Expanded Basic service** will increase from the current rate of \$3.70 to \$12.75.
- The combined total rate for an **Expanded Basic** customer will be \$22.75, (\$10.00 for **Basic** and \$12.75 for **Expanded Basic**). The combined total price and programming for these two services will be the same under the new arrangement as it is currently. **You will see no increase in your cable bill.** Prices, programming and packages are subject to change.

Optional premium services will be available to all customers, even those who subscribe only to Basic. That's right. You have the choice of adding services like HBO, Showtime, The Movie Channel, Cinemax, ENCORE, The Disney Channel, The Cartoon Network, and all the exciting new Pay Per View movies and events to the Basic service level.

Remember!

- The total price for Basic and Expanded Basic levels of service you have previously requested and currently enjoy will remain unchanged.
- You do **NOT** need to make a choice to continue to view the maximum level of programming you have come to expect.
- Only your channel line-up will change so that we can provide a lower-cost Basic service.
- If you want to change any of the services you now receive, please call our office at 328-5000.

We appreciate your continuing support during these changes.

Sincerely,

Your Local TCI Employees
serving the Dallas Community

P.S. We're excited for the future cable possibilities we'll be able to bring to you as we take television into tomorrow.

NOTE: Please note all rates include the applicable franchise fees.
